

EXHIBIT B

FRANK BACON AKA TYROAN SIMPSON CALLS DEFENDANT GOODMAN

1
2
3 1
4 00:00:00,025 --> 00:00:01,115
5 Jason... How are ya
6 2
7 00:00:01,735 --> 00:00:02,735
8 I'm good man
9 3
10 00:00:02,765 --> 00:00:04,915
11 How are you I'm doing well
12 4
13 00:00:05,620 --> 00:00:07,660
14 Man I, I've gotta tell ya something I, I..
15 5
16 00:00:07,820 --> 00:00:09,480
17 I'm, I don't know much about ya
18 6
19 00:00:09,485 --> 00:00:12,465
20 and I gotta uh appologize
21 7
22 00:00:12,465 --> 00:00:15,520
23 for all the shit that's just happened cuz
24 8
25 00:00:15,520 --> 00:00:17,160
26 and I'm uh..
27 9
28 00:00:17,220 --> 00:00:18,720
you obviously you know my name
10
11 00:00:18,880 --> 00:00:21,580
12 so you know I'm a real person
13 11
14 00:00:21,720 --> 00:00:23,540
15 but I go by Frank oh, ok
16 12
17 00:00:23,920 --> 00:00:25,100
18 and my avatar
19 13
20 00:00:25,100 --> 00:00:27,400
21 just like that King Tut woman
22 14
23 00:00:27,500 --> 00:00:29,540
24 you were just talking to or whatever her thing was
25 15
26 00:00:29,540 --> 00:00:31,960

DEFENDANT'S OPPOSITION TO THE MOTION TO INTERVENE **EXHIBIT B- 1**

1 that wasn't her real name right? and there's a lot of people

16

2 00:00:32,060 --> 00:00:32,720

3 well...

17

4 00:00:32,820 --> 00:00:35,280

5 That you're connected, that you're not using their real names

18

6 00:00:35,460 --> 00:00:37,120

7 Yeah, they don't wanna reveal...

19

8 00:00:37,960 --> 00:00:41,440

9 Right, you're gonna see that with me as I took on the uh, you know

20

10 00:00:41,445 --> 00:00:44,155

11 the Frank Bacon monicker, but there's a long story behind that

21

12 00:00:44,155 --> 00:00:47,125

13 and I... I don't wanna get into that I just wanted to get

22

14 00:00:47,125 --> 00:00:50,175

15 into the Robert David Steele stuff, Frank was the

23

16 00:00:50,335 --> 00:00:53,635

17 my impetus for getting all that going it's uh it's something Frank

24

18 00:00:53,635 --> 00:00:56,375

19 Frank is my way of working with Robert, I've been

25

20 00:00:56,380 --> 00:00:59,205

21 I've been working for Robert for a number of years, writing or his blog and things like that

26

22 00:00:59,205 --> 00:01:00,200

23 um hmm...

27

24 00:01:00,280 --> 00:01:02,780

25 and it didn't go that, it didn't go well

28

26 00:01:02,780 --> 00:01:03,880

27 what happened?

29

28 00:01:03,880 --> 00:01:04,620

30 and uh...

31

29 00:01:04,620 --> 00:01:06,980

30 well... I'm

31

1 00:01:07,615 --> 00:01:10,615
2 give you a little quick information about me, do you have time
32

3 00:01:10,620 --> 00:01:11,120
4 absolutely

5 00:01:11,120 --> 00:01:12,580
6 am I taking up too much of your time
34

7 00:01:12,580 --> 00:01:14,180
8 No, no, I'd like to hear what you have to say
35

9 00:01:14,180 --> 00:01:15,380
10 ok, excellent

36
11 00:01:17,120 --> 00:01:17,900
12 I umm

37
13 00:01:17,900 --> 00:01:19,200
14 I've been following him for years
38

15 00:01:19,200 --> 00:01:21,200
16 and uh been a big fan of his, I'm not, I'm not
39

17 00:01:21,200 --> 00:01:23,200
18 too much younger than you guys
40

19 00:01:23,420 --> 00:01:26,295
20 I'm in my mid forties but this would've been late thirties
41

21 00:01:26,295 --> 00:01:29,315
22 I was getting involved in politics and waking up and
42

23 00:01:29,315 --> 00:01:31,825
24 seeing all the problems of the world and I was
43

25 00:01:32,025 --> 00:01:34,865
26 you know Alex Jones and things like that Ya and um
44

27 00:01:34,865 --> 00:01:36,980
28 this was the only guy I really dug becuase
45

29 00:01:37,740 --> 00:01:39,920
30 He was into open source, open source everything
46

31 00:01:39,940 --> 00:01:40,460
32 Ya

1 47
2 00:01:40,460 --> 00:01:41,720
3 and I'm
4 48
5 00:01:41,980 --> 00:01:45,235
6 everybody in my circle can't stand him because he's ex-CIA
7 49
8 00:01:45,240 --> 00:01:48,040
9 so my circle groups of friends people say
10 50
11 00:01:48,040 --> 00:01:50,320
12 Now lemme just stop you for a second how do we know that
13 51
14 00:01:50,320 --> 00:01:52,360
15 how do we know that he's ex-CIA ?
16 52
17 00:01:52,360 --> 00:01:54,920
18 what proof is there? What evidence is there of that?
19 53
20 00:01:54,960 --> 00:01:56,880
21 Well that's a good point, you bring up a good point
22 54
23 00:01:56,880 --> 00:01:59,660
24 like have I gone through the rigamarole of, of
25 55
26 00:01:59,660 --> 00:02:02,800
27 verifying everything that he's put out there, not necessarily
28 56
00:02:02,800 --> 00:02:04,260
but I have
57
00:02:04,260 --> 00:02:08,560
done some research on to the point that I know he's very well um, respected
58
00:02:08,700 --> 00:02:11,420
in the world as far as like... uh his writings
59
00:02:11,560 --> 00:02:13,960
so, he was in Norway for example
60
00:02:14,160 --> 00:02:15,800
he was giving a talk in Norway to the
61
00:02:16,075 --> 00:02:19,235
to the military in Norway I would assume that they had done some of their
62
00:02:19,265 --> 00:02:22,525

1 due diligence as to whether or not this guy was just some some guy from Virginia

63

2 00:02:22,540 --> 00:02:25,600

3 Maybe they just assumed everybody else did their due diligence

64

4 00:02:25,600 --> 00:02:30,320

5 I mean look people who're in the CIA don't go around really saying they're in the CIA that much

65

6 00:02:30,320 --> 00:02:32,920

and of course the CIA would never confirm

7 66

8 00:02:33,040 --> 00:02:35,080

or deny such a statement so

9 67

10 00:02:35,460 --> 00:02:37,280

I'm not saying he is or isn't I'm just saying

68

11 00:02:38,040 --> 00:02:40,120

12 let's assume for a moment, he's a con-man

69

13 00:02:40,320 --> 00:02:44,220

14 or a hypothetical situation in which he may be a con-man

70

15 00:02:44,480 --> 00:02:44,980

71

16 00:02:44,980 --> 00:02:48,160

17 claiming to be an ex-CIA agent is sort of the perfect con

72

18 00:02:48,380 --> 00:02:48,900

73

19 00:02:49,020 --> 00:02:52,220

20 You're making a good point and you know what this is gonna get into a

74

21 00:02:52,600 --> 00:02:54,800

much better discussion I think with you becuase

22 75

23 00:02:55,305 --> 00:02:57,725

uhm, that's kinda what Frank is

24 76

00:02:57,845 --> 00:03:00,895

25 I'm, I'm making this very very clear I, I uh

77

26 00:03:00,895 --> 00:03:04,115

27 I got very sick I was in a, I was in a research lab and I

78

28 00:03:04,195 --> 00:03:06,765

I um, worked on some stuff and I got

1 79
2 00:03:07,525 --> 00:03:10,415
3 you know sick from uh, a lot of things but uh...
4 80
5 00:03:10,415 --> 00:03:13,095
6 I essentially broke my back and so I was bedridden
7 81
8 00:03:13,100 --> 00:03:16,620
9 for a number of years this was like 2013, 2014, 2015
10 82
11 00:03:16,800 --> 00:03:17,300
12 um hmm
13 83
14 00:03:17,480 --> 00:03:21,360
15 2016 I started walking again and 2017 has been, I've been walking fine
16 84
17 00:03:21,365 --> 00:03:23,605
18 I've been repairing my back and now I'm not in
19 85
20 00:03:23,605 --> 00:03:25,840
21 such pain induced psychosis anymore
22 86
23 00:03:25,840 --> 00:03:26,340
24 um hmm
25 87
26 00:03:26,480 --> 00:03:28,040
27 So a lot of what I've done with Frank is
28 88
29 00:03:28,040 --> 00:03:30,040
30 it's been over the last three years it's kind of a way
31 89
32 00:03:30,040 --> 00:03:32,020
33 of like nursing myself back to health
34 90
35 00:03:32,020 --> 00:03:34,000
36 Now wait, I'm sorry, I'm sorry, forgive me I
37 91
38 00:03:34,000 --> 00:03:37,580
39 I understood that Frank was a name that you were using for yourself
40 92
41 00:03:37,580 --> 00:03:39,320
42 Frank is... someone else?
43 93
44 00:03:39,760 --> 00:03:42,575
45 no Frank is, is, is my work
46 94
47 00:03:42,575 --> 00:03:45,255

1 but it's a bigger work than just a
95

2 00:03:45,255 --> 00:03:47,965

3 uh an avatar I mean there's a lot more to Frank than just
96

4 00:03:47,965 --> 00:03:49,460

5 what you and I are talking about
97

6 00:03:49,800 --> 00:03:51,180

7 I don't think I understand.,
98

8 00:03:51,220 --> 00:03:52,560

9 there's a lotta work I put into it
99

10 00:03:52,560 --> 00:03:54,260

11 is it an A.I. or...
100

12 00:03:54,260 --> 00:03:57,320

13 more, more, more like that, more like a marketing platform than a
101

14 00:03:57,325 --> 00:04:00,435

15 than a, like an A.I. (cough) there's a lot to it
102

16 00:04:00,440 --> 00:04:04,480

17 and I'll have to save that for another time ok cuz I think it'll get us completely off course
103

18 00:04:04,480 --> 00:04:05,560

19 ok, ok
104

20 00:04:05,700 --> 00:04:08,980

21 and I don't wanna make it like mysterious and weird I just wanna say hey look
105

22 00:04:08,980 --> 00:04:10,700

23 too late for that! (laughter)
106

24 00:04:10,700 --> 00:04:14,055

25 well ya, exactly but I respect the hell outta what you guys have been doing
107

26 00:04:14,055 --> 00:04:17,115

27 because it's open source it's working you know what I mean
108

28 00:04:17,115 --> 00:04:20,005

like, it's.... I don't like people that have secrets
109

00:04:20,005 --> 00:04:23,135

and Robert and I got very crossed
110

1 00:04:23,135 --> 00:04:26,125
2 at the very beginning with one another when I started working with him
3 111
4 00:04:26,125 --> 00:04:28,825
5 which was over a year ago um
6 112
7 00:04:28,825 --> 00:04:31,155
8 I finally got him on Skype and said hey I love your work I wanna
9 113
10 00:04:31,160 --> 00:04:33,300
11 help you get on Alex Jones I'm gonna do what I can for ya
12 114
13 00:04:33,520 --> 00:04:35,980
14 and I brought him over to Steemit last year
15 115
16 00:04:35,980 --> 00:04:36,480
17 right...
18 116
19 00:04:36,520 --> 00:04:39,360
20 uh, and it didn't work out so uh you know he lost his key
21 117
22 00:04:39,360 --> 00:04:42,060
23 and he doesn't see the value in it, but I do
24 118
25 00:04:42,260 --> 00:04:45,360
26 I'm kind of a psychic in that sense, I know what's coming
27 119
28 00:04:45,360 --> 00:04:48,340
I know what things are gonna, I know some things are gonna be happening
120
00:04:48,420 --> 00:04:51,080
so, I also knew that I wasn't gonna be working directly
121
00:04:51,080 --> 00:04:53,780
with him, but that I would be using that open source platform
122
00:04:53,780 --> 00:04:56,460
that open source everything mentality that unrig
123
00:04:56,680 --> 00:04:57,740
uh huh... yeah
124
00:04:57,800 --> 00:04:59,200
going after the deep state and all that
125
00:04:59,200 --> 00:05:01,540
um, so I run Phi Beta Iota

1 126
00:05:01,580 --> 00:05:04,040
2 not his website but on Steemit
3 127
00:05:04,040 --> 00:05:04,540
4 um hmm
5 128
00:05:04,740 --> 00:05:06,620
6 so I'm the at Phi Beta Iota
129
7 00:05:06,620 --> 00:05:08,200
What does that mean Phi Beta Iota?
8 130
00:05:09,220 --> 00:05:11,740
9 I don't.. ya know I never actually looked it up
10 131
00:05:11,820 --> 00:05:15,515
11 I never actually knew what.. it was just his blog that I would go to and he would post four good
12 things a day
132
13 00:05:15,515 --> 00:05:18,875
and then I started bugging him on email and he finally responded back
14 133
00:05:19,280 --> 00:05:22,325
15 and he was like a hero of mine, I gotta be honest with ya I highly, highly admire
16 134
00:05:23,100 --> 00:05:26,220
17 what I've worked with and what I've seen of his ok
18 135
00:05:26,220 --> 00:05:26,720
19 um hmm
20 136
00:05:26,720 --> 00:05:30,900
21 and here's the other thing, I don't know what he actually did to you guys what, what, what, went
137
22 00:05:30,905 --> 00:05:33,885
wrong cuz I don't even know that part of the story do you mind sharing that?
23 138
00:05:33,885 --> 00:05:36,805
24 No I don't mind I mean it's all there in the live streams, I mean
25 139
00:05:36,805 --> 00:05:37,825
26 I might have taken
27 140
00:05:38,215 --> 00:05:41,305
28 out of the playlist or maybe unpublished I'll put it back up
141

1 00:05:41,415 --> 00:05:43,635

2 because I want everybody to see it I mean..

3 142

4 00:05:43,945 --> 00:05:46,575

5 we.. he.. I.. look I've seen him on

6 143

7 00:05:46,575 --> 00:05:48,825

8 InfoWars I thought he was great

9 144

10 00:05:48,825 --> 00:05:51,945

11 I had no issue with Robert David Steele and you know

12 145

13 00:05:51,945 --> 00:05:53,655

14 he sent me a text one night he's like hey

15 146

16 00:05:53,660 --> 00:05:55,480

17 you know cuz he knows I been buggin' George

18 147

19 00:05:55,480 --> 00:05:57,440

20 I been trollin' George around for a while

21 148

22 00:05:57,440 --> 00:05:59,900

23 and it's all in good, it's not bad trolling

24 149

25 00:05:59,900 --> 00:06:03,760

26 I bug him like I been buggin' you like hey I wanna talk I wanna talk

27 150

28 00:06:03,760 --> 00:06:04,260

right

151

00:06:04,320 --> 00:06:06,200

and then we would talk and I talked to George a long time ago

152

00:06:06,200 --> 00:06:11,540

about hey we need to get on these open source platforms these blockchain platforms there's this thing called Steemit

153

00:06:11,545 --> 00:06:13,835

I can help you out and and he

154

00:06:13,835 --> 00:06:17,015

of course he's been busy it's not that he's blowing me off or anything but then he starts

155

00:06:17,020 --> 00:06:19,460

texting me back recently and and uh

156

1 00:06:19,680 --> 00:06:20,880

2 who did? George?

3 157

4 00:06:20,880 --> 00:06:21,660

5 Robert

6 158

7 00:06:21,660 --> 00:06:22,860

8 Right, right, right

9 159

10 00:06:22,860 --> 00:06:25,660

11 Robert's like 40 minutes away from D.C.

12 160

13 00:06:25,665 --> 00:06:28,635

14 so I find out George is in D.C. and I'm like hey um

15 161

16 00:06:28,640 --> 00:06:29,960

17 I could get you Robert

18 162

19 00:06:29,960 --> 00:06:30,520

20 Right

21 163

22 00:06:30,520 --> 00:06:32,860

23 because I was trying to get him in touch with somebody else I don't even remember

24 164

25 00:06:32,860 --> 00:06:34,460

26 I'd have to go through my tests to find out

27 165

28 00:06:34,460 --> 00:06:37,700

and then I texted Robert, uh I didn't text Robert he doesn't let me text him

166

00:06:37,780 --> 00:06:38,820

(laughter)

167

00:06:38,820 --> 00:06:42,340

I said uh, I might be able to get you in touch with George Webb how would you like that

168

00:06:42,340 --> 00:06:45,980

and he was VERY excited he was really uppity about it

169

00:06:45,980 --> 00:06:48,580

he said yeah I would love to please do whatever you can to get me get in touch

170

00:06:48,580 --> 00:06:53,180

so I just gave George the number said hey call him tell him Frank Bacon sent ya

171

00:06:53,200 --> 00:06:54,840

and... go from there

1 172
00:06:54,960 --> 00:06:57,720
2 so that's, that's that's what happened
3 173
00:06:57,720 --> 00:06:58,460
4 that's all I did
5 174
00:06:58,540 --> 00:07:00,660
6 they went to lunch, they went to lunch
175
7 00:07:01,260 --> 00:07:02,700
and George said Hey
8 176
00:07:03,340 --> 00:07:06,160
9 I'm having lunch with Robert David Steele why don't we
10 177
00:07:06,300 --> 00:07:09,020
11 ya know Skype call in and do a live stream
12 178
00:07:09,020 --> 00:07:10,540
13 and we'll interview Robert David Steele
179
14 00:07:10,560 --> 00:07:12,080
I said sure sounds great you know...
15 180
00:07:12,540 --> 00:07:14,040
16 so we did that
17 181
00:07:14,360 --> 00:07:17,135
18 and Robert said that he's got this uh, you know
19 182
00:07:17,135 --> 00:07:20,355
20 Unrig, ya know uh thing
21 183
00:07:20,685 --> 00:07:23,725
22 which is legitimate, I mean that is legitimate with Cynthia McKinney
184
23 00:07:23,725 --> 00:07:26,565
24 and all that - Well, whatever it is
185
25 00:07:26,565 --> 00:07:29,485
he presented it to us, we've got this Unrig thing and
26 186
00:07:29,485 --> 00:07:32,505
27 there's a uh Indie go go or whatever
28 187
00:07:32,505 --> 00:07:35,080

1 where he's trying to raise money and in good faith I
188
2 00:07:35,260 --> 00:07:38,240
3 I you know we... I felt a little reluctant about this
189
4 00:07:38,240 --> 00:07:40,040
5 because... at that point
190
6 00:07:40,160 --> 00:07:42,740
7 we hadn't monetized our effort
191
8 00:07:42,740 --> 00:07:45,755
9 and even now we're not taking advertising
192
10 00:07:45,755 --> 00:07:48,525
11 or supporting outside products we're just you know
193
12 00:07:48,525 --> 00:07:50,965
13 inviting viewers to sponsor
194
14 00:07:50,965 --> 00:07:53,635
15 Crowdsourcing the Truth if they feel they want to and there's no
195
16 00:07:53,635 --> 00:07:56,625
17 and there's no obligation everybody can still access it for free and everything like that
196
18 00:07:56,625 --> 00:07:59,625
19 but we were sort of did this little mini impromptu
197
20 00:07:59,625 --> 00:08:02,555
21 telethon for him that I, I wasn't fully comfortable with but
198
22 00:08:02,555 --> 00:08:05,785
23 You know uh, George has become a close ally
199
24 00:08:05,785 --> 00:08:08,715
25 close friend my partner in this effort and so
200
26 00:08:08,715 --> 00:08:11,635
27 dude I watched you bail him out of jail I know that you've gone the extra mile
201
28 00:08:11,635 --> 00:08:14,665
29 That's got nothing to do with it, that's got nothing to do with it but I'm
202
30 00:08:14,665 --> 00:08:17,245
31 just saying you know, he and I have developed a trust and so
203

1 00:08:17,245 --> 00:08:20,005
2 he was with Robert and this is what he wanted to do so
3 204
4 00:08:20,005 --> 00:08:22,995
5 we did it and I mean, we raised like
6 205
7 00:08:22,995 --> 00:08:26,035
8 fifteen thousand bucks or something like that - I saw it
9 206
10 00:08:26,040 --> 00:08:29,140
11 From our Crowdsourcing community in about an hour or two hours
12 207
13 00:08:29,140 --> 00:08:31,840
14 and I mean, I would think - respectable
15 208
16 00:08:31,840 --> 00:08:33,945
17 that was highly respectable that was something that
18 209
19 00:08:33,945 --> 00:08:37,065
20 you know of course he would have wanted to see - I would think
21 210
22 00:08:37,065 --> 00:08:40,105
23 that he would want to consider us an ally so
24 211
25 00:08:40,105 --> 00:08:43,180
26 I think that night or the next day...
27 212
28 00:08:43,180 --> 00:08:46,220
29 yeah and then so we planned Hey Robert come to New York City
30 213
31 00:08:46,300 --> 00:08:49,395
32 and we'll do one of my sit down multicamera interviews
33 214
34 00:08:49,395 --> 00:08:52,545
35 with you know nice lighting and - like you did with Rod Wheeler
36 215
37 00:08:52,545 --> 00:08:55,415
38 high bitrate camera Rod Wheeler and we've done
39 216
40 00:08:55,415 --> 00:08:57,835
41 uh Jerome Corsi that I'm trying to find a minute in the day to
42 217
43 00:08:57,835 --> 00:09:00,825
44 finish and we did Lionel and uh
45 218
46 00:09:00,825 --> 00:09:03,675
47 Lee Stranahan and I've done two with George -oh that's awesome

1 219
00:09:03,675 --> 00:09:06,095
2 I did one with Jack Posobiec
3 220
00:09:06,095 --> 00:09:09,125
4 and it's you know it's one of the featured segments that we're having
221
5 00:09:09,125 --> 00:09:10,740
6 here on Crowdsourcing the Truth
222
7 00:09:11,000 --> 00:09:14,360
8 So I was like, sure yeah let's do Robert I, I went to a nice
223
9 00:09:14,365 --> 00:09:17,325
hotel in Midtown and you know booked a uh
10 224
00:09:17,405 --> 00:09:20,305
11 like a conference room for us to do this in
12 225
00:09:20,305 --> 00:09:23,180
13 I mean I was treating the guy with the total respect
226
14 00:09:23,180 --> 00:09:25,520
15 I would treat any guest with
227
16 00:09:25,700 --> 00:09:27,340
and uhm
17 228
00:09:27,600 --> 00:09:30,360
18 so the night prior to...
19 229
00:09:30,365 --> 00:09:32,885
20 the interview I mean I'd have to go back and do a
21 230
00:09:32,885 --> 00:09:35,925
22 time correlation to get this all accurate but it was essentially this
231
23 00:09:35,925 --> 00:09:38,785
24 the night prior to the interview or two days prior to the interview
232
25 00:09:38,785 --> 00:09:41,925
George had received some intelligence from a very well
26 233
00:09:41,925 --> 00:09:44,945
27 trusted source of his who has been
28 234
00:09:44,945 --> 00:09:46,915

1 very accurate in the past
235
2 00:09:46,955 --> 00:09:49,895
3 and this person said there was
236
4 00:09:49,900 --> 00:09:53,900
5 radiological material in a diplomatic container
237
6 00:09:53,980 --> 00:09:56,340
7 on board the Maersk Memphis
238
8 00:09:56,760 --> 00:09:57,740
9 right, right, right
239
10 00:09:57,760 --> 00:10:00,775
11 So we started doing a broadcast about this and everybody
240
12 00:10:00,780 --> 00:10:03,840
13 went online and went to the publicly available tools
241
14 00:10:03,900 --> 00:10:06,700
15 like fleetfinder and uh
242
16 00:10:06,700 --> 00:10:09,000
17 shipping... what's it called?
243
18 00:10:09,000 --> 00:10:09,680
19 um hmm
244
20 00:10:09,680 --> 00:10:11,180
21 genius or whatever it is
245
22 00:10:11,880 --> 00:10:14,080
23 and then and you know we were like hey wait a minute
246
24 00:10:14,220 --> 00:10:16,860
25 this thing is pulling into port right now in the
247
26 00:10:16,860 --> 00:10:19,415
27 Port of Charleston and you know people in the
248
28 00:10:19,415 --> 00:10:22,175
29 Crowdsource community and myself contacted
249
30 00:10:22,175 --> 00:10:25,025
31 the Coast Guard and said we have
250

1 00:10:25,025 --> 00:10:28,125
intelligence we have information coupled with
2 251
3 00:10:28,125 --> 00:10:31,205
government reports from the Obama administration and
4 252
5 00:10:31,205 --> 00:10:33,665
other people and you know publicly available
6 253
7 00:10:33,665 --> 00:10:36,565
news reporting that indicates that
8 254
9 00:10:36,565 --> 00:10:38,715
dirty bombs and the illicit transport
10 255
11 00:10:38,715 --> 00:10:41,765
of lose radiological material is one of the
12 256
13 00:10:41,765 --> 00:10:43,240
most credible
14 257
15 00:10:43,520 --> 00:10:46,600
uh and uh clear and present dangers
16 258
17 00:10:46,605 --> 00:10:49,605
to the safety of the people of the United States
18 259
19 00:10:49,605 --> 00:10:51,635
and we instructed them to inspect the ship
20 260
21 00:10:51,635 --> 00:10:53,665
we didn't tell them there was a bomb I didn't
22 261
23 00:10:53,665 --> 00:10:56,695
call them and say there's a dirty bomb I believe they used the term
24 262
25 00:10:56,700 --> 00:10:59,440
dirty bomb or if I did say anything
26 263
27 00:10:59,460 --> 00:11:02,720
somebody was just trying to get you guys caught up in the media cycle
28 264
00:11:04,460 --> 00:11:06,920
all we were trying to do was be responsible
265
00:11:06,920 --> 00:11:09,040
about reporting what we thought was a threat

1 266
00:11:09,080 --> 00:11:10,920
2 we didn't make a bomb threat
3 267
00:11:10,920 --> 00:11:12,220
4 without a doubt you guys did the right thing
268
5 00:11:12,360 --> 00:11:15,660
6 so what happened was the next day the next day
269
7 00:11:15,665 --> 00:11:17,945
Robert David Steele sends me this
8 270
9 00:11:17,945 --> 00:11:21,065
ridiculous email saying that
10 271
00:11:21,215 --> 00:11:23,955
11 the interview is canceled and that
12 272
00:11:23,955 --> 00:11:26,835
13 I'm wanted by the NYPD and
273
14 00:11:26,835 --> 00:11:29,905
15 that he could appear on Skype like I mean I would really care
274
16 00:11:29,905 --> 00:11:32,475
17 about interviewing him if I'm gonna be arrested by the police this
275
18 00:11:32,475 --> 00:11:34,745
was the most bizarre aspect of it
19 276
00:11:34,745 --> 00:11:37,725
20 he said he's willing to appear on Skype but he can't
277
21 00:11:37,725 --> 00:11:40,435
22 be in a room that I control it's like
278
23 00:11:40,435 --> 00:11:43,075
24 a bizarre email so I called him up I mean
279
25 00:11:43,075 --> 00:11:46,125
I thought he was a friend and an ally at that point and I called him up
26 280
00:11:46,125 --> 00:11:48,845
27 and I said you know well what is this about
28 281
00:11:48,845 --> 00:11:51,840

1 the NYPD I mean my apartment is just a few
282
2 00:11:51,840 --> 00:11:55,780
3 blocks away from the uh police precinct
283
4 00:11:56,040 --> 00:11:58,280
5 certainly if the Coast Guard or the FBI
284
6 00:11:58,540 --> 00:12:00,195
7 or any government agency wanted me
285
8 00:12:00,195 --> 00:12:03,155
9 arrested I would imagine the NYPD would be here
286
10 00:12:03,155 --> 00:12:04,325
11 in a matter of minutes
287
12 00:12:04,665 --> 00:12:07,405
13 and I hadn't even seen his email it was an hour and a half old by the
288
14 00:12:07,405 --> 00:12:09,365
15 time I saw it cuz you know unlike
289
16 00:12:09,365 --> 00:12:12,265
17 him and some of his potential friends I'm not monitoring
290
18 00:12:12,265 --> 00:12:13,965
19 everything he does at every minute
291
20 00:12:13,965 --> 00:12:16,875
21 of the day and commenting on it right away which I also find
292
22 00:12:16,875 --> 00:12:18,155
23 a little bit odd
293
24 00:12:18,155 --> 00:12:20,995
25 not that there's anything illegal about that I'm not suggesting that
294
26 00:12:20,995 --> 00:12:22,305
27 they just seemed very
295
28 00:12:22,305 --> 00:12:25,305
29 obsessed with me very interested in what we're doing
296
30 00:12:25,575 --> 00:12:28,285
31 so uh, I called him up and I said you know
297

1 00:12:28,285 --> 00:12:31,005

2 what is this about the NYPD and he said well you know

3 298

4 00:12:31,005 --> 00:12:34,465

5 I can't do the interview but if you wanna do Skype and I was like Robert

6 299

7 00:12:34,575 --> 00:12:37,015

8 I don't care about the interview I want to know about

9 300

10 00:12:37,015 --> 00:12:39,735

11 the NYPD how do you know this and he told me

12 301

13 00:12:39,735 --> 00:12:41,525

14 he has connections and he has contacts

15 302

16 00:12:41,525 --> 00:12:45,920

17 and he's you know sophisticated intelligence person and all this

18 303

19 00:12:46,380 --> 00:12:49,075

20 and uh you know he basically said you know Jason

21 304

22 00:12:49,075 --> 00:12:52,135

23 our relationship is over he used a lot of

24 305

25 00:12:52,135 --> 00:12:54,975

26 foul language I broadcast the phone call in one of our live streams

27 306

28 00:12:54,980 --> 00:12:56,040

oh wow

307

00:12:56,160 --> 00:13:00,035

well I mean you know it's legal in New York State to record a phone

308

00:13:00,040 --> 00:13:01,880

call if one of the parties on the call

309

00:13:01,920 --> 00:13:06,120

oh no, no I'm not saying yeah absolutely I, I, I expect you to be recording

310

00:13:06,220 --> 00:13:08,980

this call, I mean I do honestly

311

00:13:09,040 --> 00:13:12,940

With your with your permission I'd like to broadcast this call

312

00:13:12,945 --> 00:13:15,915

with your permission and if you say no then I won't

1 313
2 00:13:15,975 --> 00:13:19,015
3 well yeah as long as you keep my name you know private uh like I don't
4 314
5 00:13:19,015 --> 00:13:22,105
6 Could mask your voice disguise your name all of that lemme just continue
7 315
8 00:13:22,105 --> 00:13:24,955
9 so he's cursing at me in this phone call
10 316
11 00:13:24,955 --> 00:13:28,135
12 he's cursing at me and sending me threatening emails
13 317
14 00:13:28,135 --> 00:13:31,115
15 and then... you know... he
16 318
17 00:13:31,115 --> 00:13:34,005
18 emailed me outta nowhere saying that he's already had two people
19 319
20 00:13:34,005 --> 00:13:35,875
21 ask him for their money back
22 320
23 00:13:35,875 --> 00:13:38,285
24 not because I told people to get their money back
25 321
26 00:13:38,285 --> 00:13:40,295
27 but because people recognized
28 322
29 00:13:40,295 --> 00:13:42,915
30 he was acting like a crazy person and threatening me and being
31 323
32 00:13:42,915 --> 00:13:45,975
33 very unreasonable after we had in good faith
34 324
35 00:13:45,975 --> 00:13:48,455
36 helped him raise money for his uh event
37 325
38 00:13:48,460 --> 00:13:49,640
39 yeah a lot of money
40 326
41 00:13:49,640 --> 00:13:51,580
42 or his organization or whatever it is
43 327
44 00:13:51,880 --> 00:13:55,675
45 so he told me you know be very very careful and he's sending me these
46 328
47 00:13:55,680 --> 00:13:57,960

1 threatening emails so uh....

329

2 00:13:58,220 --> 00:14:01,185

3 you know it basically escalated from there I told him not to communicate with

330

4 00:14:01,185 --> 00:14:03,735

5 me any more I have no interest in speaking to him

331

6 00:14:03,735 --> 00:14:06,365

7 he sent me some certificate from his thing that said

332

8 00:14:06,365 --> 00:14:09,255

9 that I'm a part of his revolution and I told him I want my money

333

10 00:14:09,255 --> 00:14:11,815

11 back I am not part of his I'm not

334

12 00:14:11,815 --> 00:14:13,855

13 part of his organization I'm not part of any

335

14 00:14:13,855 --> 00:14:16,265

15 revolution that he's planning and uh

336

16 00:14:16,265 --> 00:14:18,395

17 I want him to destroy the certificate destroy

337

18 00:14:18,395 --> 00:14:21,605

19 destroy the original and send me my money back and so he said

338

20 00:14:21,615 --> 00:14:24,665

21 that he doesn't have the money that Indie gogo has the money and

339

22 00:14:24,665 --> 00:14:27,885

23 Indie gogo is not giving him the money until July

340

24 00:14:27,885 --> 00:14:30,685

25 and that I have to go deal with Indie gogo now I think I

341

26 00:14:30,685 --> 00:14:33,815

27 gave him \$50 or something like that and

342

28 00:14:33,815 --> 00:14:36,795

obviously I don't want to lose \$50 but I got a lot of things going on I'm not

343

00:14:36,800 --> 00:14:39,720

\$50 is not at the forefront of my mind

344

DEFENDANT'S OPPOSITION TO THE MOTION TO INTERVENE **EXHIBIT B- 22**

1 00:14:39,720 --> 00:14:40,620

2 yeah

345

3 00:14:40,660 --> 00:14:42,720

4 I mean I want to get the money back but I just haven't had a

346

5 00:14:42,720 --> 00:14:44,780

6 chance to I mean we've been trying to contact Eric Braverman

347

7 00:14:44,785 --> 00:14:47,425

8 we've been trying to contact Julian Assange

348

9 00:14:47,425 --> 00:14:49,305

10 it seems that you know

349

11 00:14:49,305 --> 00:14:52,355

12 he seems affiliated with Defango he's appeared on

350

13 00:14:52,355 --> 00:14:54,545

14 Defango's show and Defango has

351

15 00:14:54,545 --> 00:14:57,495

16 praised him so you know, I don't know what that tells you

352

17 00:14:57,495 --> 00:15:00,095

18 about him but uh Defango has also

353

19 00:15:00,095 --> 00:15:03,145

20 claimed that he contacted his colleagues at Oxford

354

21 00:15:03,145 --> 00:15:05,425

22 and then obviously as you saw

355

23 00:15:05,500 --> 00:15:08,380

24 they tried to kick us out of Oxford we weren't there doing anything

356

25 00:15:08,380 --> 00:15:11,540

26 yeah, I don't think that had much to do with Defango he operates

357

27 00:15:11,545 --> 00:15:14,235

28 much the same way you and I operated

358

29 00:15:14,235 --> 00:15:16,765

30 well so why do you suppose the Blavat... the Blavatnik school of

359

31 00:15:16,765 --> 00:15:20,320

32 government would want to kick us out for simply sitting there and wanting to report on their

1 360
2 00:15:20,320 --> 00:15:22,655
3 event if it wasn't that someone called and...
4 361
5 00:15:22,660 --> 00:15:25,240
6 uh... good point I mean uh I think um
7 362
8 00:15:25,420 --> 00:15:28,600
9 you know number one it's interesting to see that Braverman is actually alive
10 363
11 00:15:28,900 --> 00:15:32,020
12 and and that is odd but you guys have become very um...
13 364
14 00:15:32,345 --> 00:15:35,385
15 famous as being these incredible like the mystery gang
16 365
17 00:15:35,385 --> 00:15:36,860
18 oh I don't know about that
19 366
20 00:15:36,860 --> 00:15:38,365
21 well you're famous enough
22 367
23 00:15:38,365 --> 00:15:41,415
24 and not only are you famous enough I have a great deal of respect
25 368
26 00:15:41,415 --> 00:15:44,455
27 for people that in good health and good conscience
28 369
00:15:44,455 --> 00:15:47,535
go out there to fuckin' snap the dragon
370
00:15:47,685 --> 00:15:50,685
that we're trying to put down, I'll I'll be really clear
371
00:15:50,685 --> 00:15:53,295
I'll be very frank with you - yeah -my reality
372
00:15:53,295 --> 00:15:56,175
my reality is I wanna see an end to the fuckin
373
00:15:56,175 --> 00:15:59,245
deep state I am tired of not being free and I see
374
00:15:59,245 --> 00:16:02,125
the internet as being the great equalizer
375
00:16:02,125 --> 00:16:05,295

1 of people being able to create the types of organizational structure
376

2 00:16:05,295 --> 00:16:08,285

3 that they need networks are markets in my world
377

4 00:16:08,285 --> 00:16:11,535

5 ok and they've created this cloud this
378

6 00:16:11,535 --> 00:16:14,595

7 fog of war and when I say 'they' I'm talking
379

8 00:16:14,595 --> 00:16:17,335

9 about people that are in charge of markets
380

10 00:16:17,335 --> 00:16:20,305

11 the world, the money, the oil, the wars all that stuff
381

12 00:16:20,305 --> 00:16:23,055

13 call it the Rockefellers call it the Rothschilds call it
382

14 00:16:23,055 --> 00:16:25,365

15 a bunch of rich people but I know for a fact
383

16 00:16:25,365 --> 00:16:28,355

17 what George has done could get Hillary Clinton thrown in jail
384

18 00:16:28,355 --> 00:16:30,395

19 and that's the witch I wanna see go down
385

20 00:16:31,075 --> 00:16:33,825

21 we're just trying to stamp out corruption
386

22 00:16:33,825 --> 00:16:36,845

23 we're just trying to stamp out corruption and the thing is you know
387

24 00:16:36,845 --> 00:16:39,335

25 if Robert David Steele has a problem with me
388

26 00:16:39,335 --> 00:16:42,525

27 and there are people contacting him saying they want their money back
389

28 00:16:42,585 --> 00:16:45,275

the proper thing for him to do is just say "thank you..."
390

00:16:45,275 --> 00:16:48,205

here is your money we're going to carry on with what we're doing"
391

1 00:16:48,205 --> 00:16:50,020

I mean he's the one

2 392

3 00:16:50,020 --> 00:16:51,220

not call you up and cuss you out

4 393

5 00:16:51,220 --> 00:16:54,060

Right and people, I'm not pursuing people in our group

6 394

7 00:16:54,100 --> 00:16:56,255

they're contacting me and saying look at this crazy email

8 395

9 00:16:56,255 --> 00:16:58,915

that Robert sent me where he's saying that you're a mental

10 396

11 00:16:58,915 --> 00:17:01,945

patient and that you're sick and you're stupid and all this it's like

12 397

13 00:17:01,945 --> 00:17:04,955

you know he should go do whatever the hell he wants as long as it's not

14 398

15 00:17:04,955 --> 00:17:07,955

as long as he's not deceiving people in our community

16 399

17 00:17:07,955 --> 00:17:10,535

a community that we are building based on

18 400

19 00:17:10,535 --> 00:17:13,575

integrity and trust and honest people that want to

20 401

21 00:17:13,580 --> 00:17:16,740

help each other I'm not pulling any scams

22 402

23 00:17:16,780 --> 00:17:17,880

I'm saying if you like these videos

24 403

25 00:17:18,000 --> 00:17:18,740

no you're not

26 404

27 00:17:18,860 --> 00:17:22,595

and Jason what's funny is that that's what I read in his

28 405

00:17:22,595 --> 00:17:25,175

in his market you know I feel like

406

00:17:25,175 --> 00:17:28,195

luckily I'm a free agent, I'm freelance

1 407
2 00:17:28,195 --> 00:17:31,125
3 I can go and do and associate with whoever the hell I want
4 408
5 00:17:31,125 --> 00:17:34,145
6 but when I see the, the, the truther movement or whatever movement
7 409
8 00:17:34,145 --> 00:17:37,185
9 that's coming together to actually expose the corruption
10 410
11 00:17:37,185 --> 00:17:39,965
12 start getting you know this kind of
13 411
14 00:17:39,965 --> 00:17:42,795
15 stuff start happening I don't think Robert's your real
16 412
17 00:17:42,795 --> 00:17:46,075
18 uh enemy and I'm not calling you to defend him and I'm certainly not going to call
19 413
20 00:17:46,115 --> 00:17:49,135
21 him and try to defend you know you
22 414
23 00:17:49,135 --> 00:17:51,815
24 but what I would love is I would love for you guys to just
25 415
26 00:17:51,815 --> 00:17:54,845
27 get um either clear of one another or or or
28 416
00:17:54,845 --> 00:17:57,845
figure out that maybe somebody was messing with both of ya
417
00:17:57,845 --> 00:17:59,285
all I want him to do no, no, no
418
00:17:59,285 --> 00:18:02,075
I'm sorry, listen if he was dealing with me in a legitimate
419
00:18:02,075 --> 00:18:03,495
fashion and if he was an ally
420
00:18:03,495 --> 00:18:06,245
and a friend I mean, you know we just raised
421
00:18:06,245 --> 00:18:07,360
fifteen thousand dollars for him
422
00:18:07,360 --> 00:18:10,420

1 so let's assume someone did contact him and say hey
423
2 00:18:10,520 --> 00:18:13,560
3 NYPD is going to arrest Jason
424
4 00:18:13,565 --> 00:18:15,015
5 why wouldn't he just call me and say hey
425
6 00:18:15,015 --> 00:18:17,665
7 I don't think we're going to be able to do the interview tomorrow because
426
8 00:18:17,665 --> 00:18:20,715
9 I've just received good information that you're going to be arrested by the NYPD
427
10 00:18:20,715 --> 00:18:23,785
11 why don't you go down there to the precinct and turn
428
12 00:18:23,785 --> 00:18:26,485
13 yourself in because that's exactly what I would do if the
429
14 00:18:26,485 --> 00:18:29,035
15 NYPD wanted me I'm not going to run
430
16 00:18:29,040 --> 00:18:30,060
17 from the NYPD
431
18 00:18:30,060 --> 00:18:30,560
19 no
432
20 00:18:30,680 --> 00:18:34,715
21 I would go over there and I would demonstrate that I am not going to resist arrest
433
22 00:18:34,715 --> 00:18:37,285
23 I would want a lawyer and I'd go in there
434
24 00:18:37,285 --> 00:18:40,435
25 and I would face the charge because as you can see
435
26 00:18:41,245 --> 00:18:44,665
27 I am not wanted by the NYPD and I personally verified that by
436
28 00:18:44,665 --> 00:18:46,840
going there and asking them and calling
437
00:18:47,060 --> 00:18:50,095
and he could've done that, he's this big fancy
438

1 00:18:50,095 --> 00:18:52,975
intelligence operative he could've done that
2 439
3 00:18:52,975 --> 00:18:54,885
he was clearly in my mind
4 440
5 00:18:54,885 --> 00:18:57,455
trying to intimidate me in the
6 441
7 00:18:57,455 --> 00:19:00,515
email that he sent to me he included a message for George
8 442
9 00:19:00,515 --> 00:19:02,575
which obviously he wanted me to see
10 443
11 00:19:02,575 --> 00:19:05,735
why does he need to CC me on a message for George?
12 444
13 00:19:05,740 --> 00:19:06,480
childish
14 445
15 00:19:06,480 --> 00:19:08,480
it's childish it's like a
16 446
17 00:19:08,660 --> 00:19:11,515
five year old ok, he says George I think
18 447
19 00:19:11,515 --> 00:19:14,655
the best thing for you to do is dump Jason and come work with me
20 448
21 00:19:14,655 --> 00:19:17,455
so now he's accusing me of tortious interference
22 449
23 00:19:17,455 --> 00:19:20,415
which is a civil tort that's not a crime
24 450
25 00:19:20,415 --> 00:19:23,355
that's interfering with somebody else's business he's the one
26 451
27 00:19:23,355 --> 00:19:26,325
that's committed that civil tort I don't need to sue him he's a loser
28 452
00:19:26,325 --> 00:19:29,395
and I don't want money from him I just want him to give the money
453
00:19:29,395 --> 00:19:32,305
back to our Crowdsourcing community members

1 454
2 00:19:32,305 --> 00:19:35,355
3 who feel that he was less than honest with them
4 455
5 00:19:35,355 --> 00:19:38,415
6 that he was less than honest in his dealings with me that's all I want
7 456
8 00:19:38,415 --> 00:19:41,125
9 I don't ever want to talk to him again I have
10 457
11 00:19:41,125 --> 00:19:44,055
12 no respect for him and I don't care about the truther movement
13 458
14 00:19:44,055 --> 00:19:46,865
15 or whatever movement I'm not going to join a movement
16 459
17 00:19:46,865 --> 00:19:49,525
18 I started a website because I see
19 460
20 00:19:49,525 --> 00:19:52,675
21 disinformation and dishonesty in the news
22 461
23 00:19:52,675 --> 00:19:54,935
24 I don't need to join up with
25 462
26 00:19:55,395 --> 00:19:58,495
27 Robert David Steele or whoever Defango
28 463
00:19:58,495 --> 00:20:01,475
because they claim to be the truther movement I
464
00:20:01,475 --> 00:20:04,345
think they are lying to people who are in the truther
465
00:20:04,345 --> 00:20:07,385
movement and that's my opinion based on evidence
466
00:20:07,385 --> 00:20:10,315
that I've seen in emails and crazy phone calls
467
00:20:10,315 --> 00:20:13,285
it's a really, it's a really valid opinion because I kind of agree with ya
468
00:20:13,285 --> 00:20:16,295
I do, I mean I'm, it's not about agreeing or disagreeing it's just about
469
00:20:16,295 --> 00:20:18,985

1 like we're in the same mess I mean the same kinda corruption
470
2 00:20:18,985 --> 00:20:22,205
3 affects you that affects me and when I see guys that like
471
4 00:20:22,205 --> 00:20:25,325
5 you know you and George busting your humps to put out good
472
6 00:20:25,325 --> 00:20:28,175
7 community, it's literally just a community
473
8 00:20:28,180 --> 00:20:28,680
9 that's right
474
10 00:20:28,680 --> 00:20:31,060
11 here we are camera's on this is what we're recording
475
12 00:20:31,060 --> 00:20:32,100
13 the best
476
14 00:20:32,100 --> 00:20:34,020
15 then I see the mess
477
16 00:20:34,020 --> 00:20:36,865
17 that guys like Defango go and like everybody's trying to pick on
478
18 00:20:36,865 --> 00:20:39,885
19 every well like he said this or he's doing this
479
20 00:20:39,885 --> 00:20:42,285
21 let's forget about him let's, let's forget about all of this for a minute
480
22 00:20:42,285 --> 00:20:45,305
23 the best thing for Robert David Steele to do right now to make this
481
24 00:20:45,305 --> 00:20:48,095
25 whole thing go away is to send a polite
482
26 00:20:48,095 --> 00:20:50,175
27 email to every single person
483
28 00:20:50,180 --> 00:20:53,520
who donated to his unrig who wants their money back
484
00:20:53,620 --> 00:20:57,140
and give them clear instructions as to how
485

1 00:20:57,145 --> 00:20:59,445
2 to get the money back and be as
3 486
4 00:20:59,445 --> 00:21:01,985
5 diligent and as
6 487
7 00:21:01,985 --> 00:21:04,775
8 rapid in the refunds as he is able to be
9 488
10 00:21:04,775 --> 00:21:08,025
11 that's all I'm asking him to do and to stop threatening me
12 489
13 00:21:08,265 --> 00:21:11,075
14 and harassing me I've told him to stop emailing me
15 490
16 00:21:11,075 --> 00:21:14,125
17 and he continues to send me insulting
18 491
19 00:21:14,125 --> 00:21:17,135
20 harassing emails he continues to go onto my
21 492
22 00:21:17,135 --> 00:21:20,185
23 YouTube channel my websites and whatever
24 493
25 00:21:20,185 --> 00:21:23,115
26 and put in comments that are disparaging towards me
27 494
28 00:21:23,115 --> 00:21:25,645
and he is using the same
495
00:21:25,645 --> 00:21:28,705
tactics that we have observed Hillary Clinton and others
496
00:21:28,705 --> 00:21:30,060
yep, yep
497
00:21:30,060 --> 00:21:30,720
where they
498
00:21:30,720 --> 00:21:35,080
accuse the opposition of doing what they themselves are doing
499
00:21:35,240 --> 00:21:37,500
yes exactly ya I see that
500
00:21:37,520 --> 00:21:40,175
he told George walk away from Jason George and I are

1 501
00:21:40,175 --> 00:21:43,015
2 engaged in an endeavor we are creating a
3 502
00:21:43,015 --> 00:21:45,585
4 crowdsourced news organization now
503
5 00:21:45,585 --> 00:21:47,700
6 obviously I can't
504
7 00:21:47,860 --> 00:21:50,260
fund this indefinitely I have been paying for it
8 505
9 00:21:50,260 --> 00:21:51,920
ok hang on a second hang on a second hang on a second
10 506
00:21:51,920 --> 00:21:53,960
11 cuz this is where I wanna I don't wanna interrupt you
12 507
00:21:53,960 --> 00:21:54,960
13 but I wanna insert here
508
14 00:21:54,960 --> 00:21:56,960
you you don't have to this is why
15 509
16 00:21:56,960 --> 00:21:59,360
you and I should be talking about Steemit and why I should be helping you guys there
17 510
18 00:21:59,360 --> 00:22:00,615
well I mean I'm just, I just bring it up
19 511
00:22:00,615 --> 00:22:03,275
20 the only reason I bring it up Frank is because I introduced
21 512
00:22:03,275 --> 00:22:06,255
22 a monetization program last week Trish and I
513
23 00:22:06,255 --> 00:22:09,305
spoke about it and also took input from the crowd
24 514
00:22:09,305 --> 00:22:12,175
25 my initial idea was to put t-shirts
26 515
00:22:12,175 --> 00:22:15,305
27 and mugs so people could buy things and support it through that
28 516
00:22:15,305 --> 00:22:17,065

1 but we had over one hundred comments

517

2 00:22:17,065 --> 00:22:19,315

3 from people saying they didn't want that

518

4 00:22:19,315 --> 00:22:22,345

5 because too much of the money was going to the t-shirt company

519

6 00:22:22,345 --> 00:22:25,015

7 and they just wanted to give ten or five or twenty dollars

520

8 00:22:25,015 --> 00:22:27,995

9 or whatever the amount is we're not forcing people to pay

521

10 00:22:27,995 --> 00:22:30,985

11 all of the content is available for free but obviously

522

12 00:22:30,985 --> 00:22:33,335

13 we need food we need to travel we need

523

14 00:22:33,340 --> 00:22:35,300

15 to you know keep this thing sustained

524

16 00:22:35,300 --> 00:22:38,540

17 so do do you know about cryptocurrencies do you know how crypto works?

525

18 00:22:38,540 --> 00:22:40,800

19 I, I, I do know about crypto currency and I'm interested

526

20 00:22:40,800 --> 00:22:42,195

21 interested in bitcoin I've got my

527

22 00:22:42,200 --> 00:22:44,860

23 reservations I mean, I think that

528

24 00:22:45,080 --> 00:22:46,460

25 a lot of people...

529

26 00:22:46,660 --> 00:22:48,080

27 I, I'm not an economist

530

28 00:22:48,080 --> 00:22:49,720

I'm not an engineer

531

00:22:49,720 --> 00:22:51,315

I have designed a variety

532

1 00:22:51,315 --> 00:22:53,645
2 of different 3D cameras and
3 533
4 00:22:53,645 --> 00:22:56,875
5 developed a lot of technologies but I engaged in a process that I call
6 534
7 00:22:56,875 --> 00:22:59,825
8 dumb guy engineering where I just sort of think of an idea
9 535
10 00:22:59,855 --> 00:23:02,925
11 (laughter) and engineers at Apple computer or
12 536
13 00:23:02,925 --> 00:23:05,375
14 Panasonic or Sony they tell me you can't do that
15 537
16 00:23:05,375 --> 00:23:08,295
17 and then I just go and try and do it and sometimes it works
18 538
19 00:23:08,295 --> 00:23:11,415
20 what I love about you is that you'll put the flat screen up and you'll
21 539
22 00:23:11,420 --> 00:23:13,160
23 have the pad there and you'll have the laptop
24 540
25 00:23:13,160 --> 00:23:13,980
26 it works
27 541
28 00:23:14,100 --> 00:23:17,215
why can't people just do simple shit like that you don't need a Hollywood
542
00:23:17,220 --> 00:23:17,900
it works
543
00:23:17,900 --> 00:23:19,900
you know studio
544
00:23:20,180 --> 00:23:22,780
so my thing my thing with the
545
00:23:22,780 --> 00:23:25,615
crypto currency is ya know it's like look
546
00:23:25,615 --> 00:23:28,695
it's a great idea, I'd love to get into bitcoin I wish I had
547
00:23:28,695 --> 00:23:31,105
bought it when it was a dollar or mined it

1 548
00:23:31,105 --> 00:23:33,965
2 when you could do it on an nVidia card and have hundreds of thousands
3 549
00:23:33,965 --> 00:23:35,605
4 of dollars now but it's supposed to be
5 550
00:23:35,605 --> 00:23:38,095
6 a currency and I do not see people
7 551
00:23:38,095 --> 00:23:40,815
8 conducting transactions I can't go into the supermarket and
9 552
00:23:40,820 --> 00:23:43,280
and buy stuff with bitcoin I can't
10 553
00:23:43,280 --> 00:23:45,580
11 yes you can in certain places just not right there
12 554
00:23:45,580 --> 00:23:46,860
13 well it's not widespread
14 555
00:23:46,860 --> 00:23:48,240
15 you're you're it's valid, it's valid
16 556
00:23:48,280 --> 00:23:50,760
17 what I see is people investing in it
18 557
00:23:50,760 --> 00:23:52,540
and keeping their money parked in it and if
19 558
00:23:52,620 --> 00:23:55,735
20 it doesn't have it's activity as a currency
21 559
00:23:55,735 --> 00:23:58,435
22 what's this guy's name is it Jack Vee or something like that
23 560
00:23:58,440 --> 00:24:00,000
24 there's some guy who's an American guy
25 561
00:24:00,000 --> 00:24:02,980
in Japan who's real big on Bitcoin and I was doing
26 562
00:24:02,980 --> 00:24:03,960
27 oh Roger Ver
28 563
00:24:03,960 --> 00:24:05,280

1 Roger Ver yeah

564

2 00:24:05,480 --> 00:24:08,720

3 I like that guy and I was watching a lot of videos that he made

565

4 00:24:08,725 --> 00:24:11,635

5 and a lot of videos about him and it was interesting because I spent a day or two

566

6 00:24:11,635 --> 00:24:14,275

7 watching a series of videos that

567

8 00:24:14,275 --> 00:24:16,885

9 he had made and that he had been involved in over the course of

568

10 00:24:16,885 --> 00:24:19,955

11 several years and I saw this very rapid

569

12 00:24:19,955 --> 00:24:22,715

13 sort of acceleration in anxiety

570

14 00:24:22,715 --> 00:24:25,855

15 this was my perception where he went from being very very

571

16 00:24:25,855 --> 00:24:29,055

17 positive about it to in the most recent videos

572

18 00:24:29,055 --> 00:24:31,935

19 expressing concern that there were fractures in the community

573

20 00:24:31,935 --> 00:24:34,725

21 and that people, you know there's fees associated with

574

22 00:24:34,725 --> 00:24:38,460

23 using it now and it's like look, it's a great idea but

575

24 00:24:38,660 --> 00:24:42,020

25 this notion that it's challenging the central banks and the government and everything

576

26 00:24:42,120 --> 00:24:46,180

27 they're obviously going to put up roadblocks to make it difficult to use so I don't know, I...

577

28 00:24:46,280 --> 00:24:46,960

right

578

00:24:46,960 --> 00:24:49,300

I'm interested in it but I don't know enough about it

579

1 00:24:49,800 --> 00:24:53,020
2 well this is my this is where you and Frank can can work
3 580
4 00:24:53,020 --> 00:24:55,420
5 and when I say Frank in the third person you understand
6 581
7 00:24:55,420 --> 00:24:57,345
8 Frank is this marketing platform that I came up with
9 582
10 00:24:57,345 --> 00:25:00,395
11 when I was fucking paralyzed, I couldn't move a finger
12 583
13 00:25:00,395 --> 00:25:02,815
14 I would be remiss if I, if I
15 584
16 00:25:02,815 --> 00:25:05,925
17 didn't explain this to you so I you know I had this bad
18 585
19 00:25:05,925 --> 00:25:08,845
20 health issue and a lot of my mind went with it
21 586
22 00:25:08,905 --> 00:25:11,945
23 um I'm just telling ya to work myself
24 587
25 00:25:11,945 --> 00:25:14,845
26 back out of it I spent the whole time just learning about
27 588
28 00:25:14,845 --> 00:25:17,635
cryptocurrencies and trying to learn as much as I can and trying to get
589
00:25:17,635 --> 00:25:20,595
involved you know in the techniques of it and building a market
590
00:25:20,595 --> 00:25:23,835
around it and building a name around it a brand if you will
591
00:25:23,835 --> 00:25:26,825
um but I wanted to go down the road of crypto
592
00:25:26,825 --> 00:25:29,645
in a way that um was kind of a pioneer
593
00:25:29,645 --> 00:25:32,695
approach I wanted to pave the way for a lot of other people
594
00:25:32,695 --> 00:25:35,945
so I knew then Jason, when I was sick

1 595
2 00:25:35,945 --> 00:25:38,885
3 call it spiritual enlightenment or whatever you know you go through these kind of
4 596
5 00:25:38,885 --> 00:25:41,825
6 weird fluxes of vision and things
7 597
8 00:25:41,825 --> 00:25:44,935
9 and I could see years ahead in the future
10 598
11 00:25:44,935 --> 00:25:47,935
12 how these technologies would evolve and how they were gonna evolve
13 599
14 00:25:47,935 --> 00:25:51,165
15 and start bringing down the old world if you will
16 600
17 00:25:51,220 --> 00:25:53,200
18 the old uh uh way of doing things
19 601
20 00:25:53,200 --> 00:25:53,700
21 right
22 602
23 00:25:53,880 --> 00:25:57,115
24 so we we're in the middle of that fray we're in the middle of that disruption
25 603
26 00:25:57,115 --> 00:25:59,885
27 but but to be completely clear
28 604
00:25:59,885 --> 00:26:02,735
I can't I can't you know I'm not Satoshi Nakamoto
605
00:26:02,740 --> 00:26:04,120
I'm close (laughter)
606
00:26:04,120 --> 00:26:04,620
uh huh
607
00:26:04,620 --> 00:26:05,740
but I'm not Satoshi
608
00:26:06,060 --> 00:26:07,840
um and what he did
609
00:26:07,840 --> 00:26:10,500
or what that avatar did Satoshi Nakamoto
610
00:26:10,500 --> 00:26:13,375

1 was invent a thing called blockchain

611

2 00:26:13,375 --> 00:26:16,275

3 bitcoin was just the first killer app now there's hundreds and thousands

612

4 00:26:16,280 --> 00:26:18,060

5 of blockchains out there

613

6 00:26:18,200 --> 00:26:20,720

7 second generation blockchain was the Ethereum project

614

8 00:26:20,920 --> 00:26:24,435

9 the third generation of blockchain is a thing called Steemit

615

10 00:26:24,440 --> 00:26:26,780

11 so don't look at it as a currency look at like

616

12 00:26:26,780 --> 00:26:29,960

13 Now what is Steemit? I thought Steemit was like Reddit or something

617

14 00:26:30,200 --> 00:26:32,440

15 It is but it's running on a blockchain

618

16 00:26:32,440 --> 00:26:34,820

17 and that means that when you create the account

619

18 00:26:34,820 --> 00:26:36,835

19 so you go in there and create Jason Goodman @jasongoodman

620

20 00:26:36,835 --> 00:26:39,345

21 I think that fits in sixteen letters

621

22 00:26:39,345 --> 00:26:41,995

23 you can only create an account with sixteen letters like George is waiting for his

622

24 00:26:41,995 --> 00:26:45,265

25 he's gonna be @georgewebb and I'm @frankbacon

623

26 00:26:45,265 --> 00:26:48,195

27 now we have we have uh a format where we can meet

624

28 00:26:48,200 --> 00:26:50,700

and do public posts so think of it this way

625

00:26:50,880 --> 00:26:54,480

we're gonna make this very rudimentary so rudimentary

626

1 00:26:54,485 --> 00:26:57,345
think of it like Twitter but without the 160 character uh minimum
2 627

3 00:26:57,345 --> 00:26:57,860
uh huh

4 628
5 00:26:57,860 --> 00:26:59,860
you have a piece of paper and you can write
6 629

7 00:26:59,960 --> 00:27:01,460
something on that piece of paper
8 630

9 00:27:01,460 --> 00:27:03,520
and then that piece of paper gets stored
10 631

11 00:27:03,520 --> 00:27:05,975
like a block on the blockchain just like a
12 632

13 00:27:05,975 --> 00:27:07,475
cryptocurrency transaction does
14 633

15 00:27:07,805 --> 00:27:10,885
which means nobody can go back and take it down
16 634

17 00:27:10,885 --> 00:27:13,455
nobody can go back and edit it if you put it up at
18 635

19 00:27:13,455 --> 00:27:16,435
midnight on the first of January it stays you know of
20 636

21 00:27:16,440 --> 00:27:19,680
2017 it'll be there in 20...
22 637

23 00:27:19,680 --> 00:27:22,120
uh uh you know 2217
24 638

25 00:27:22,220 --> 00:27:22,720
alright
26 639

27 00:27:22,720 --> 00:27:24,140
that's how powerful blockchains are
28 640

00:27:24,140 --> 00:27:25,080
yeah that's interesting
641

00:27:25,080 --> 00:27:27,495
so it's like wika wikileaks on steroids

1 642
2 00:27:27,495 --> 00:27:30,515
3 you just have this place where you can write stuff down
4 643
5 00:27:30,515 --> 00:27:33,205
6 and there's nobody that can really claim oh that could've been
7 644
8 00:27:33,205 --> 00:27:35,955
9 hacked or that, that's gonna get modified
10 645
11 00:27:35,960 --> 00:27:38,700
12 or that information wasn't put by you or whatever they can't do that
13 646
14 00:27:38,700 --> 00:27:39,200
15 uh huh
16 647
17 00:27:39,200 --> 00:27:41,840
18 so for the open source world it gives us this one
19 648
20 00:27:41,940 --> 00:27:44,020
21 big open postal service
22 649
23 00:27:44,335 --> 00:27:47,435
24 where if I'm writing something you can read what I'm writing you can comment on what I'm
25 writing
26 650
27 00:27:47,435 --> 00:27:50,285
28 you can reshare what I'm writing I have a you know
651
00:27:50,285 --> 00:27:53,105
whatever I write comes with it's own link so you can forward that link on
652
00:27:53,105 --> 00:27:55,640
to other people like on facebook or on Reddit or whatever
653
00:27:55,640 --> 00:27:56,200
right
654
00:27:56,200 --> 00:27:59,140
but it's the initial platform where we can all interact
655
00:27:59,245 --> 00:28:02,205
now, interaction on that platform, by putting things on there
656
00:28:02,205 --> 00:28:05,285
and upvoting and moving it around and sharing it and stuff like that
657

1 00:28:05,285 --> 00:28:05,780

2 yeah

658

3 00:28:05,780 --> 00:28:07,780

4 there's a monetization element to it

659

5 00:28:08,060 --> 00:28:11,520

6 so if it's popular if people who like your stuff are upvoting it

660

7 00:28:11,525 --> 00:28:14,565

8 it's going to make it's own version of a crypto currency

661

9 00:28:14,565 --> 00:28:15,420

10 called Steem

662

11 00:28:15,420 --> 00:28:15,920

12 uh huh

663

13 00:28:15,920 --> 00:28:18,400

14 and that's very easy to convert to real dollars

664

15 00:28:18,580 --> 00:28:21,535

16 it is very easy to convert that to real dollars but you kinda want to leave it in the

665

17 00:28:21,535 --> 00:28:24,055

18 in the platform growing

666

19 00:28:24,055 --> 00:28:27,055

20 because as you leave it in the platform you become more vested in the

667

21 00:28:27,055 --> 00:28:29,945

22 platform and then your votes mean more so

668

23 00:28:29,945 --> 00:28:32,545

24 when I started with Robert trying to get Phi Beta Iota

669

25 00:28:32,625 --> 00:28:35,685

26 over so you know what Phi Beta Iota is phibetaiota.net is

670

27 00:28:35,685 --> 00:28:38,765

28 Robert's we're not talking about Robert just talking about that website that he uses

671

00:28:38,765 --> 00:28:41,735

I don't actually know what it is I haven't paid that much attention to him

672

00:28:41,740 --> 00:28:43,340

other than to tell him to stop harassing me

1 673

00:28:43,840 --> 00:28:45,820

2 yeah, it's a simple word press blog that

3 674

00:28:45,940 --> 00:28:47,420

4 he posts like four times a day

5 675

00:28:47,420 --> 00:28:50,020

6 so it's like his own news letter that he uses right

7 676

00:28:50,020 --> 00:28:50,660

8 yeah

9 677

00:28:50,800 --> 00:28:54,135

10 and he had to come out of pocket when he suddenly started getting more popular

11 678

00:28:54,135 --> 00:28:57,375

12 and like instead of 20,000 people watching his, his uh

13 679

00:28:57,380 --> 00:29:00,040

14 website a day he was up to 30 and 40,000 people

15 680

00:29:00,180 --> 00:29:03,980

16 so his web master called him and said hey you gotta spend more money on more bandwidth and stuff like this

17 681

00:29:04,045 --> 00:29:07,105

18 and I said Robert you don't need to do that in fact you can shut down that old

19 682

00:29:07,105 --> 00:29:09,855

20 website redirect everything and just use steemit

21 683

00:29:09,860 --> 00:29:11,300

22 as this just one platform

23 684

00:29:11,400 --> 00:29:15,215

24 this is the godfather of the open source you've had your problems with him trust me

25 685

00:29:15,215 --> 00:29:18,195

26 I've had my problems with him he busted my balls and I'm telling him

27 686

00:29:18,200 --> 00:29:20,580

28 the secrets of the universe I'm giving him powers beyond

29 687

00:29:21,000 --> 00:29:23,540

30 comprehension and he just doesn't understand it

31 688

1 00:29:23,760 --> 00:29:25,220
2 now I've got you guys
3 689
4 00:29:25,220 --> 00:29:27,160
5 and you guys do kind of get this
6 690
7 00:29:27,160 --> 00:29:29,745
8 and I think if you go through and like look at some of these key
9 691
10 00:29:29,745 --> 00:29:32,655
11 things I'm telling you about Steemit and about blockchain
12 692
13 00:29:32,655 --> 00:29:35,645
14 and how we can use this you're funded you're funded
15 693
16 00:29:35,645 --> 00:29:38,035
17 you got me whatever you wanna do
18 694
19 00:29:38,035 --> 00:29:41,075
20 you have permission not mine, the universe
21 695
22 00:29:41,075 --> 00:29:44,315
23 the fuckin universe the cosmic law that's giving you permission to just open this up
24 696
25 00:29:44,315 --> 00:29:47,785
26 I don't understand how it turns into actual money though
27 697
28 00:29:48,505 --> 00:29:51,785
it it's because you're going to tell everybody you're you're you guys have
698
00:29:51,785 --> 00:29:54,545
an intelligence network out there the people that are following you on YouTube
699
00:29:54,545 --> 00:29:55,040
yeah...
700
00:29:55,040 --> 00:29:57,360
waiting for the day that YouTube pulls the plug on you ok
701
00:29:57,500 --> 00:29:58,000
right, right
702
00:29:58,000 --> 00:30:00,440
alright then you're in a diaspora again
703
00:30:00,500 --> 00:30:03,600
but you start getting your people to follow you on

1 704

00:30:03,600 --> 00:30:05,200

2 Steemit and only Steemit

3 705

00:30:05,200 --> 00:30:05,700

4 oh...

5 706

00:30:05,820 --> 00:30:08,580

6 I mean they can come to the YouTube videos, they can upvote they can do all that stuff

707

7 00:30:08,600 --> 00:30:09,100

8 right

9 708

00:30:09,100 --> 00:30:11,220

10 but really for the real real cream of the crop

709

11 00:30:11,280 --> 00:30:14,280

12 like the daily briefs once twice three times a day

710

13 00:30:14,280 --> 00:30:14,780

14 umm hmm...

711

15 00:30:14,780 --> 00:30:17,840

16 you put that on Steemit, those posts go nowhere

712

17 00:30:17,840 --> 00:30:20,755

18 those posts get interacted with by your like if I upvote

713

19 00:30:20,755 --> 00:30:23,845

20 every time I upvote I make ya 16 cents

714

21 00:30:23,845 --> 00:30:26,855

22 just by my one upvote so multiply a thousand by...

715

23 00:30:26,860 --> 00:30:29,620

24 why who, who's giving the 16 cents? I don't understand

716

25 00:30:29,620 --> 00:30:32,935

26 because I've been working that platform for such a year, for, for a year

717

27 00:30:32,935 --> 00:30:35,465

28 and I've earned money or I've earned my, my

718

00:30:35,465 --> 00:30:38,425

cryptocurrency and I keep it locked in steem power I'm I'm worth more

719

1 00:30:38,425 --> 00:30:41,365
2 so I have a slightly heavier weight in voting
720
3 00:30:41,365 --> 00:30:44,000
4 as opposed to somebody who just shows up they have no money in their account
721
5 00:30:44,000 --> 00:30:45,080
6 so is that..
722
7 00:30:45,080 --> 00:30:48,880
8 so when I sign up I put money in there? I put U.S. dollars in there or what?
723
9 00:30:48,880 --> 00:30:51,195
10 you don't have to, no you don't have to
724
11 00:30:51,200 --> 00:30:53,520
12 in fact I don't recommend you do that
725
13 00:30:53,580 --> 00:30:55,620
14 unless you're going to get donors and if donors are gonna come to you
726
15 00:30:55,620 --> 00:30:57,200
16 then tell them to get their own account
727
17 00:30:57,200 --> 00:30:57,940
18 I, I..
728
19 00:30:57,940 --> 00:30:59,520
20 and make their account worth money
729
21 00:30:59,520 --> 00:31:00,960
22 no, no, no I'm not going to tell anybody
730
23 00:31:00,960 --> 00:31:03,320
24 to put money into anything I don't understand but like
731
25 00:31:03,325 --> 00:31:05,915
26 I think I mean look I'm open to it, I certainly wanna try it
732
27 00:31:05,915 --> 00:31:08,705
28 if it's free to put stuff on there I'll do that for sure
733
29 00:31:08,705 --> 00:31:11,235
30 and you know we'll see where it goes but listen
734
31 00:31:11,445 --> 00:31:14,335
32 Frank, I hate to cut this short but we've gotta prepare for a

1 735
00:31:14,340 --> 00:31:15,340
2 livestream here
3 736
00:31:15,340 --> 00:31:17,325
4 I understand, I understand my friend
737
5 00:31:17,325 --> 00:31:18,900
6 I'm just really glad that I was able to get in
738
7 00:31:18,900 --> 00:31:20,400
8 yeah I appreciate you calling, it's..
739
9 00:31:20,400 --> 00:31:23,060
10 this is the part that I want to help you guys with cuz
740
11 00:31:23,065 --> 00:31:25,575
12 I'm going to send you a radio program I did
741
13 00:31:25,580 --> 00:31:27,940
14 I've been doing radio programs for the last year
742
15 00:31:27,940 --> 00:31:28,545
16 uh huh
743
17 00:31:28,545 --> 00:31:31,395
18 and it's it's Frank talking on the Build Liberty radio program
744
19 00:31:31,395 --> 00:31:34,295
20 and I'm talking about steemit and it'll be like a forty minute video
745
21 00:31:34,300 --> 00:31:35,760
22 maybe an hour at the most
746
23 00:31:35,760 --> 00:31:36,260
24 ok
747
25 00:31:36,280 --> 00:31:40,595
26 and uh, I'll hopefully you'll hear the answers to what it is you're
748
27 00:31:40,600 --> 00:31:42,240
28 asking on that platform
749
00:31:42,240 --> 00:31:42,740
right
750
00:31:42,740 --> 00:31:45,460

1 I could charge a thousand dollars an hour for my time

751

2 00:31:45,460 --> 00:31:46,060

3 right

752

4 00:31:46,060 --> 00:31:47,760

5 you guys have my time pro bono

753

6 00:31:47,760 --> 00:31:48,560

7 I appreciate that

754

8 00:31:48,600 --> 00:31:49,940

9 is what I'm telling you ok

755

10 00:31:49,940 --> 00:31:51,940

11 what I wanna do is let me take a look at it and

756

12 00:31:52,000 --> 00:31:54,720

13 uh you know I'm certainly open to uh

757

14 00:31:54,725 --> 00:31:57,675

15 trying it out and certainly if it's free I'm interested in that

758

16 00:31:57,675 --> 00:31:59,435

17 we just wanna we just wanna have a platform

759

18 00:31:59,435 --> 00:32:01,455

19 that the most people can look at

760

20 00:32:01,475 --> 00:32:04,715

21 that if people want to look at our stuff for free they can

761

22 00:32:04,715 --> 00:32:07,765

23 anybody who wants to sponsor it we love that

762

24 00:32:07,765 --> 00:32:09,845

25 we're not trying to force anybody to buy anything

763

26 00:32:09,845 --> 00:32:13,055

27 we're not trying to force people to look at ads so

764

28 00:32:13,060 --> 00:32:15,380

I will take a look at steemit, I promise

765

00:32:15,520 --> 00:32:19,375

then, then let me close out by saying, let me just close out

766

1 00:32:19,375 --> 00:32:22,725

2 by explaining that's exactly what you're getting number one there's not a single pixel devoted to
3 ads

767

4 00:32:22,740 --> 00:32:23,320

um hmm

768

5 00:32:23,320 --> 00:32:25,600

6 it's on a blockchain, blockchains

769

7 00:32:25,740 --> 00:32:28,695

8 are shared distributed databases which means there's a lot of participants

770

9 00:32:28,695 --> 00:32:31,495

and all that information is cryptographically secured

771

10 00:32:31,500 --> 00:32:32,000

11 right

772

12 00:32:32,000 --> 00:32:34,000

13 so you can't, you can't DDoS

773

14 00:32:34,080 --> 00:32:37,200

15 uh a steemit article so if I post a steemit

774

16 00:32:37,205 --> 00:32:40,175

17 article and they want to bring it down if it's sitting on your wordpress site

775

18 00:32:40,175 --> 00:32:43,535

19 it's coming down but if it's sitting on steemit it's not coming down

776

20 00:32:43,540 --> 00:32:44,100

ya

777

21 00:32:44,100 --> 00:32:44,920

22 see what I mean

778

23 00:32:44,920 --> 00:32:47,160

24 so it has this resiliency that's amazing

779

25 00:32:47,160 --> 00:32:47,660

uh huh

780

26 00:32:47,660 --> 00:32:49,300

27 but we can talk about the money later

781

28 00:32:49,300 --> 00:32:51,535

1 ok and there is money to be made

782

2 00:32:51,535 --> 00:32:54,605

3 it's a funding platform it will blow Patreon away

783

4 00:32:54,605 --> 00:32:57,575

5 but let me send you a link, what you can do is just

784

6 00:32:57,575 --> 00:32:59,915

forward me an email if you don't mind on this skype

785

8 00:32:59,915 --> 00:33:00,545

9 786

00:33:00,545 --> 00:33:03,815

10 and I'll, I'll never mind, never mind I just send you

787

11 00:33:04,020 --> 00:33:07,920

12 send it on skype or truth at crowdsource the truth dot org

788

13 00:33:08,780 --> 00:33:10,620
